System Bets for Soccer System Bet Explained System

July 8th, 2018 - A player places a trixie system bet which consists of four bets involving three different selections If we mark the three selections as A B and C then we can easily see that the bet includes three doubles AB AC and BC and a treble ABC If selections A and B win but selection C loses then AB double is the only one that qualifies for the'

'Help Sports What are system bets

July 5th, 2018 - The main difference between system bets and multi parlay bets is that you can win a system bet even if not all your picks are correct For example in the case

of a 2 3 system bet you win even if only two of your three predictions turn out to be correct Please note that the amount of possible winnings displayed when you place your bet'
