why concrete is your new favorite 2018 interior design trend

May 23rd, 2020 - if concrete floors aren't your thing concrete walls are also a great way to make a style statement however you'll probably want to stick to a singular accent wall in this case while one wall will probably add a bold punch of texture and visual interest multiple walls run the risk of feeling too stark and overwhelming'

imprinted concrete supplies chemicals mats and tools

May 31st, 2020 - imprinted concrete supplies color pave are a uk based manufacturer of high quality chemicals tools and imprinted concrete supplies for driveways and patios at our

factory in preston lancashire we manufacture concrete imprint stamp mats texture skins release agents acid stains and colour hardeners,
