'how versailles during the time of louis xiv really looked june 3rd, 2020 - the

construction of versailles went down in history as one of the most expensive in terms of modern money about 300 billion dollars were spent on it despite this fact the builders had to cut back on expenses which is why the palace of the then reigning sun king is remembered for its residents rich decorations and draughts so strong people had to sleep wearing 10 layers of clothing'
