April 25th, 2020 - the sacred canopy is an

excellent introduction to peter berger as well as a

good way to gain a new perspective on how we

construct a sacred reality for ourselves berger s

religious faith but to examine it as at least partially social projection which we then accept, as objective and subsequently internalize

may 29th, 2020 - if the sacred is a valid category

in the study and teaching of religion then what can

be said about the antithesis of the sacred namely

the profane or the secular this volume probes these questions with great care in order to justify a number of ways the sacred can be construed as an indispensable notion for the study and teaching of religion,
