dan schneider on labe lucien
May 14th, 2020 - the film is

far more dependent upon its
screenplay than typical
hollywood films then or now
and while the cinematography
by tonino delli colli is
petent as is the soundtrack by
django reinhardt andre claveau
and irene de trebert the film
s claims to greatness are
solely dependent upon its
narrative construction and
brilliant little moments such
as when labe says i don

may 23rd, 2020 - synopsis in the summer of 1944 small town french teenager lucien pierre blaise attempts to join the french resistance his father is a prisoner in germany and his mother dates her employer who works for the german police lucien is turned down and after a chance encounter signs up rather naively as a collaborator for the

gestapo''**labe lucien by louis malle and patrick modiano review**

June 3rd, 2020 - labe lucien is an excellent story of a rather embarrassing part of french history and one of the

key elements is the writer s
examination of what drove
people to collaborate the
police consists of a group of
outsiders people rejected in
the past who are now having
their day in the sun yet they
are far from the only ones
prepared to work against the
national interest'
