june 3rd, 2020 - brutalist  
architecture or new brutalism is  
an architectural style which  
emerged during the 1950s in great  
britain among the reconstruction  
projects of the post war era  
brutalist buildings are  
characterized by minimalist  
constructions that showcase the  
bare building materials and  
visible structural elements over  
decorative design the style monly  
makes use of exposed concrete or  
brick'**
