piano vs keyboard difference between piano and keyboard

May 31st, 2020 - piano vs keyboard these days i often hear a keyboard referred to as a piano and a piano referred to as a keyboard such is the sampling quality of some of the electronic pianos that you are hard pressed to separate them from their acoustic cousins'

~~'will 49 keys be enough for learning keyboard~~

~~May 29th, 2020 -- been playing guitar for quite a while i feel like i want to tip toe into keyboards but i'm on a super low budget a fully weighted 88 key is out of the question i won't be playing bach or anything mostly simple lines i make to record more than synth lines but less than something notably plex it's also just to get used to keyboard basics'~~
