The Box** "original album series co uk music

may 19th, 2020 - this is a great budget collection of

coltrane s atlantic years it contains 3 of the 4 albums that

coltrane approved whilst he was still at atlantic the missing

album is ole coltrane but there is a good arguement for

collecting these five albums together giant steps was clearly a breakthrough album for Coltrane and is still an exemplar for jazz musicians studying Coltrane's chord progression,
