'shakespeare in swahililand in search of a global poet

May 16th, 2020 - edward wilson lee in his book shakespeare in
swahililand brings us an unusual take on the bard s influence
in east africa he is not interested in exploring history and
culture as generally municated via the study of the government
or politics of the region but instead by looking at where
cultures intersected in this one thread the literary history of the
influence shakespeare had on'
