Junk Digging Through America s Love Affair with Stuff by

May 2nd, 2020 - When I think about junk my mind automatically heads towards Hoarders territory because like several million people I have a fascination with all types of junk The author of this book obviously does also because she made me think of types of junk that had not even popped into my little mind'

'Book review Junk jassyfizzle

~~April 4th, 2020 - Junk is told through the voices of Gemma and Tar as well as the people that they meet along the way I really love the varying viewpoints and I think that as well as giving depth and balance to the story it makes reading Junk such an important experience Nothing is told as fact but every bit of this book is told as truth'~~
