, the treasure of pirate frank by mal peet goodreads

May 15th, 2020 - the treasure of pirate frank has all of the makings of an instant classic as a boy and his dog go on a repetitive adventure to try to find the treasure of pirate frank the

repetitions made the story much more suspenseful and some of the locations that the boy and his dog have to explore would definitely intimidate me so i found myself getting more invested in the

story than i d expected to , ,
