'customer reviews gail albert halaban paris views

april 23rd, 2020 - gail albert halaban paris views a fantastic thought
provoking collection of photographs of less seen paris superb
imaginative provocatively staged painterly photographs 6 people

found this helpful"how your neighbours see you out my window photo series

may 2nd, 2020 - living in the city with our apartments stacked so close to one another our lives are
intertwined without us ever truly knowing each other we become familiar with our next door noises the forting
sounds of a table being set or a bath being prepared but the real stories of the people living only a few
breaths away we can only guess by sometimes catching a glimpse or even a long stare'
