'health gap marmot michael 9781632860781 books

june 4th, 2020 - citing powerful examples and startling
statistics young men in the u s have less chance of
surviving to sixty than young men in forty nine other
countries the health gap presents pelling evidence for
a radical change in the way we think about health and
indeed society and inspires us to address the societal
imbalances in power money and resources that work
against health equity'
