June 5th, 2020—
superman amp batman

~~generations is the umbrella title of three Elseworlds i.e. book limited series published by DC in the United States written and illustrated by John Byrne. A major concept of the series is the avoidance of so-called comic book time. It places Superman, Batman and the other members of the DC universe in a single timeline showing the characters aging and being~~

'How Scott Snyder has been preparing for Batman last
