March 24th, 2019 - california greenin how the golden state became an environmental leader series princeton studies in american politics historical international and parative perspectives 157''^{5 reasons}
why california is called the golden state

June 2nd, 2020 - another reason why california is considered the golden state is because of its golden poppies which bloom beautifully each spring in wild fields all over the state this flower became the state s official flower back in 1903 and it is also referred to as the flame flower copa de oro

which translates to cup of gold and la amapola ,
